OFFICE OF THE PRESIDENT,
CITY MUNICIPAL COUNCIL, MYSORE.

Dated..30th..Oct.....1918.

VERY URGENT.

DIARY No....

FROM,

RAJASABHABHUSHANA DIWAN BAHADUR,

C. SRIKANTESVARA AIYAR, B.A., B.L.;

PRESIDENT, CITY MUNICIPAL COUNCIL,

MYSORE.

To,

B. Ramaswamaiya, Esquire., B. A., B.L.,

Secretary, to the Government of His Highness

the Maharaja of Mysore, Revenue

—Department.—

SIR,

I have the honour to state that owing to the prevalence of Influenza in the mofussil Villages, the number of fuel carts coming into Mysore City has recently vastly diminished. Great difficulty is therefore experienced by the public in procuring fuel, particularly for the cremation of the dead. There is not only scarcity of fuel felt and great difficulty in procuring the requisite quantities to meet the unforeseen demand due to heavy mortality, but the price per cart has also gone up very high, partly to causes already existing and partly to Influenza disabling Villagers.

I have therefore to request you to be so good as to move the Government to issue necessary instructions to the Forest Department to open fuel depots in the City, where fuel will become available at reasonable price, and can be bought by the Municipality at cost price for cheap or free supply to the poor who during this unfortunate epidemic can ill offord the cremation charges.

2. The Mysore Municipal Council have decided to supply to the poor, for cremation purposes fuel, free and to others

others at cost price. The question of opening fuel depots by the Forest Department may therefore be kindly considered as an extremely pressing and emergent measure.

I have the honour to be,

Sir,

Your most obedient servant,

Nikaravampa

President.
